Dear Mildred,
You are the sweetest friend I know and that a person could have. Your being in the same P.E class just made me feel much happier. You have the "Good old Spirit" as I would say. I will always remember you and your sweet personality. Keep that smile of yours and you will go far in life. Tell Carolyn that she is a very sweet person to me too and I love both of you. May God Bless you.

Love always,
Minnie

Dear Mildred,
It has been a great pleasure to get to know you better. I never really knew you until this year and it has been just great. I want to wish you the best of luck in the future and if you keep that charmful smile and always laugh and have fun you will succeed.

Love ya,
Billie Ruth

M. B. MURPHY, Principal
Sarepta High School

Every successful and worthwhile project requires and demands much dedicated effort on the part of individuals. In the publication of this annual, many have contributed time and ability in making it one to be appreciated and cherished by students and faculty.

I should like to offer my sincere thanks to the staff, sponsors, faculty, and student body for the production of this annual. Once again it is my privilege to express our thanks to the business and professional people who have so generously supported our school.

In order to have a public school in which intelligent and fair minded people will take pride, it is necessary for earnest, serious minded students to have contact with able and dedicated teachers. Such teachers have been provided by our school board, therefore I urge all students to devote much time and attention to scholarly pursuits; to identify themselves with worthwhile extracurricular activities; to give attention to building desirable and lasting friendships, good moral character, and to display at all times and in all situations a friendly cooperative spirit.

Mildred:

We were happy to have you come to our school from P. D. Our gain was P. D.'s loss. We are always glad to get students who have something to contribute to our school. You have done that.

Best wishes, M. B. Murphy
